

REMARKS

This is filed in response to the communication mailed on January 31, 2007, entitled Notice of Drawing Inconsistency with Specification in the above-captioned application.

In response to the communication, a reference to FIG. 16 has been added in the Brief Description of the Drawings section of the specification (second substitute specification filed on January 25, 2002). No new matter has been added.

In addition, the attorney information for this application has changed, as indicated in the power of attorney form filed on June 22, 2004. A copy of this form is enclosed, and correction of the attorney information for this application is also respectfully requested prior to issuance of the patent.

This application now stands in condition for issuance, and issuance of the patent is respectfully requested.

Respectfully submitted,
